

Prepress Requirements for Art

Phone (817) 277.6666 • (800) 285.2235 • Fax (817) 275.2770 • E-mail: graphics@inovarpkg.com

General Information

1. For best results, we recommend using the following Software:

Adobe Illustrator CS3 or below • Adobe Photoshop CS3 or below
Freehand MX or below • Adobe InDesign CS3 or below

2. Include all EPS, Tiff and graphics files used in art. {DO NOT embed graphics}

All EPS, TIF, JPG (Photos) Need to be 300 resolution at 100%
If possible: please send the PSD file along with a flattened TIF or EPS file.
Please refrain from typing text in Photoshop.

3. Fonts MUST be sent with your artwork. Postscript fonts require both screen font and printer fonts. If you are unable to send us fonts, convert type to paths or outlines before sending us your art.

Recommended Files To Be Saved And Sent To Inovar

LOOK

- * 1 final layout with text converted to outlines or paths.
- * 1 final layout not converted to outlines or paths.
- * All EPS or TIF, etc. attached in a support folder.
- * All Fonts - Screen Fonts and Printer Fonts in a font support folder.

Media

1. We can accept the following media:

CD-ROM • FTP SITE (inovarpkg.com - bottom right hand side of page) • EMAIL IF UNDER 2MB

2. When files are placed on disk,

check that all support files (EPS,TIFFS, FONTS etc.) have been copied to disk.

3. We can accept files via email at this address:

graphics@inovarpkg.com

4. Please copy your CSR anytime you email artwork to graphics.
